

PERFORMANCE IMPROVEMENT

Empowering a Healthy Culture

By Ann Scott Blouin

Boards need to assess troubled areas in their organizations, set goals for improving the culture, and hold leaders accountable for change.

PERFORMANCE IMPROVEMENT

Accelerating Progress through Leadership Integration

By Patrick T. Ryan and James Merlino

Sustainable change requires a strategy to align improvement efforts and act on the interdependencies of four performance domains.

PRACTICAL GOVERNANCE

Engaging Boards in Disruptive Innovation

By Jean Ahn and Mark A. Keroack

Hospitals and systems must understand the threats posed by market disruptors and craft specific strategies to protect their missions.

HEALTH CARE VALUE

Understanding the True Cost of Clinical Technology

By Anthony Montagnolo

Hint: It's not really about the price.

ON-DEMAND WEBINAR

A New Model for Health Care Governance

By Jamie Orlikoff

As pressures mount for changes to the current model of governance, health care boards should consider implementing strategies for a transition to new models.

TRUSTEE EDUCATION CALENDAR

AHA Rural Health Care Leadership Conference

Feb. 3 – 6, Phoenix, AZ

The AHA's 32nd Annual Rural Health Care Leadership Conference features extensive educational programming to connect the work of governing boards to the challenges of transforming the rural health care delivery system.
