

## CYBERSECURITY

### The Board's Role in Cybersecurity (Part One)

By Rebecca Vesely

With proper planning and investment, hospitals and health systems can reduce cyber risks and vulnerabilities.

## EMERGING ISSUES

### Top 10 Trends for 2019

By Laura P. Jacobs

Consumerism, personalized medicine, digital technology and artificial intelligence are fundamentally changing the way health care is purchased, delivered and organized.

## PRACTICAL GOVERNANCE

### Coaching: A Critical Tool for Board Chair Development

By Pamela R. Knecht, Kimberly McNally and Mary Totten

Making coaching available to an incoming board chair can build the chair's capacity to lead the board effectively.

## ON-DEMAND VIDEO SERIES

### The Board's Role in a Changing Health Care Environment

Brief videos by three health care governance experts address transformational leadership, CEO succession planning, and hospital field realignment. Board discussion questions accompany each video.

## TRUSTEE EDUCATION CALENDAR

### AHA Annual Membership Meeting

April 7-10, 2019 | Washington, D.C.

An updated format for the AHA's Annual Membership Meeting maximizes peer-to-peer learning and networking opportunities for trustees seeking fresh insight into emerging trends, best practices, innovation and policy making.
