PHYSICIAN ISSUES
Redefining the Physician’s Role as Care Team Leader
By Maggie Van Dyke
Front-line physicians play a critical role in developing a collaborative team culture. But many didn’t learn teamwork or leadership skills in medical school.

PRACTICAL GOVERNANCE
How to Make the Most of Your Board’s Time
By Steve Gordon, M.D.
Time constraints are a growing challenge for health care boards. Board effectiveness and organizational performance benefit when boards focus on high-value activities and have a plan to continually improve.

POPULATION HEALTH
Addressing the Social Determinants of Health
By Lola Butcher
Understanding the social factors that influence health at the community level is crucial for helping your patients achieve better outcomes at lower cost.

TRUSTEE EDUCATION CALENDAR
AHA Rural Health Care Leadership Conference
Feb. 2 – 5, 2020, Phoenix, Ariz.
Extensive educational programming to connect the work of governing boards to the challenges of transforming the rural health care delivery system.
