ISSUES & TRENDS
Systemization of Health Care Philanthropy 2.0
By Betsy Chapin Taylor
The next curve of systemization is leveraging additional opportunities to achieve greater synergy across health care organizations.

VIEWPOINT
Burnout in Health Care
By Melinda L. Estes and Thomas W. Wagstaff
Health care leaders are learning more about burnout and working together to better address it.

TRANSFORMING GOVERNANCE
Using Technology to Enhance Board Education
By Pamela R. Knecht
Ongoing board education that includes newer modalities and technologies will increase board engagement and improve governance.

EXECUTIVE PERFORMANCE AND COMPENSATION
2020 Actions for the Board Compensation Committee
By Timothy Cotter and Kathryn Hastings
Boards should assess the impact of change on their organization’s executive compensation program and committee practices.

Updates on COVID-19
Since the COVID-19 outbreak began, the American Hospital Association has worked closely with the CDC, and other federal, state and local partners to respond to this challenge and to make sure hospitals and health systems have the most up-to-date information. For the latest information and resources, visit aha.org/COVID19.
