AHA and Partners Launch ‘Protect the Heroes’ Campaign
A new national initiative allows donors to direct contributions to their local hospital during the COVID-19 pandemic.

VIEWPOINT
Making Community Health Improvement the Heart and Soul of Governance
By Carolyn F. Scanlan
Continually improving community health should be part of the DNA of a health care organization and its board.

VIEWPOINT
Pursuing Philanthropy During COVID-19
By Betsy Chapin Taylor
Hospital and health system boards can harness the power of philanthropy during the COVID-19 crisis.

Updates on COVID-19
Since the COVID-19 outbreak began, the American Hospital Association has worked closely with the CDC and other federal, state and local partners to respond to this challenge and to make sure hospitals and health systems have the most up-to-date information. For the latest information and resources, visit aha.org/COVID19.
