*See enclosed map for AHA regions.

Please submit your online application and corresponding endorsement form nomination materials no later than March 8, 2021.

Background information on the RPB and COG and the nominations process is enclosed. The candidate application form is provided as a separate attachment.

All appointees must be associated with an AHA institutional member hospital or health system throughout their term on the committee. Please note that Board Committee involvement does not make you eligible for consideration.

Regional appointees must be associated with an institutional member of the AHA located within the region. Trustee appointees must have at least three years experience as a trustee by the time of the appointment. No more than one representative from a hospital may serve on the same committee and only one trustee candidate may be nominated per organization per year.
