LEVERAGING TECHNOLOGY

Advancing Rural Telehealth and Addressing Its Challenges
By Brian Doerr

Telehealth has gained significant momentum in U.S. community hospitals since the coronavirus pandemic began spreading across the country last year.

STRATEGIC PLANNING

The Key Role of Trustees in Nurse Retention
By Kristin Baird

Engaging and retaining nursing staff can help drive organizational performance, including improving patient safety, satisfaction and outcomes.

RESOURCES

Enterprise Risk Management for Health Care Boards: Leveraging the Value

Boards will be asked to make decisions that can help recognize and mitigate risks associated with strategies and business objectives.

RESOURCES

Societal Factors that Influence Health: A Framework for Hospitals

The framework sets forth three distinct, yet connected, levels that address patients’ social needs, social determinants of health in the community and the systemic causes of inequities.

EDUCATION & EVENTS

AHA Rural Health Care Leadership Virtual Conference & Engagement Experience

The AHA’s 34th Annual Rural Health Care Leadership Virtual Conference features dedicated educational programming connecting the work of governing boards to the challenges of transforming the rural health care delivery system.
